Trump: 'Make Canada Street America Street'

Lake George Village is under fiscal pressure from President Donald Trump to change the name of its main thoroughfare from Canada Street to America Street.

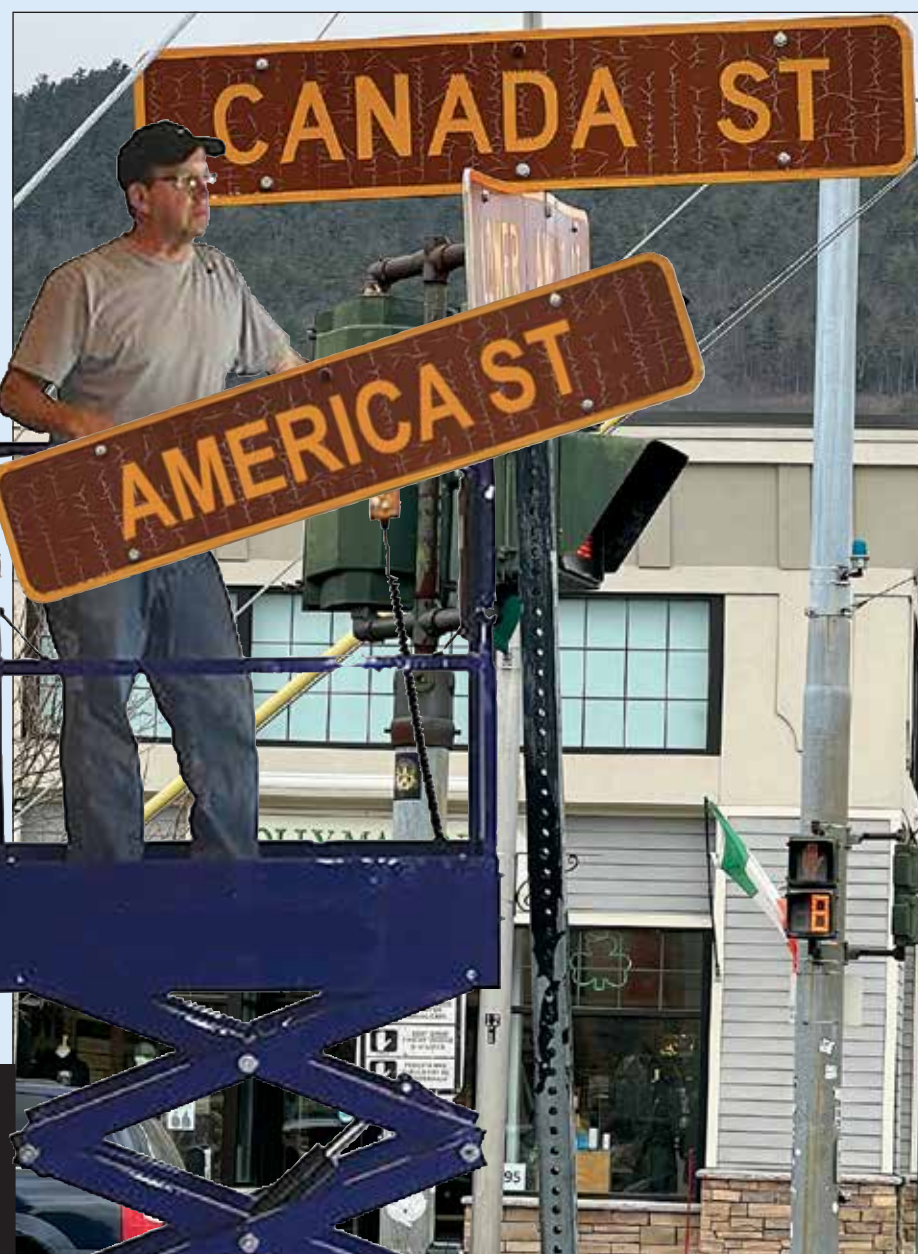

President Trump told *The Chronicle*,

"What are we doing publicizing a nation that doesn't trade fairly with us and lets fentanyl and illegals into our country!?"

Already Lake George's name has

been changed to Kari

Also 'Change Lake George name. Why is it named for the guy we beat? Call it Kari Lake instead'

Lake to take effect on July 4.

"George is a loser. Name it Kari Lake. She's the Voice of America," said President Trump.

Reached for comment, Kari Lake told *The Chronicle*, "I'm very honored and once I am done shutting down the Voice of America and these other propaganda

outlets, which shouldn't take long, I'll have time to promote Glen Falls and the entire Kari Lake Region, which reminds me so much of my home state of Arizona where I won two elections that were stolen from me both times."

"This is a great move," California Gov. Gavin Newsom told *The Chronicle*.

BOCES to open car wash trade academy

BOCES will convert its soon to be retired campus on Dix Ave. in Hudson Falls into a first-of-its-kind Car Wash Trade School.

It's projected that car washes and storage units combined will account for a whopping 93% of jobs in the greater Glens Falls economy by 2026.

"It's the path for growth here," an economist told *The Chronicle*. "More car washes and storage units are what the area needs. Other than a few more smoke and cannabis shops."

Students will learn every aspect of the "Auto Spa" business, from sudsing and nozzle maintenance to gift cards and water 101. A particular emphasis will be the rigorous regulations that apply to car wash development.

"For example, a new car wash must be built at least nine feet from another car wash," an administrator said. "Many people don't know about that."

"Sign up now," a flyer urged. "Classes are filling up."

Joe & Jill to teach Bidenomics at SUNY Adk!

Starting next fall, 46th President Joe Biden will teach an exclusive course on Bidenomics at SUNY Adirondack on Bay Rd.

"And I'm coming too," 46's First Lady Dr. Jill Biden told

The Chronicle. "You're getting two for the price of one."

"In fact," she said, "I'll be the one leading the class most of the time while Joe is on sabbatical. Hunter is coming, too!"

Dr. Biden said, "We're really looking forward to working with Lynne Boecher and Warren County Democrats as we prepare our Presidential campaign in 2028."
